

Sanders/Polishers

MP600 Series Sanders/Polishers

- 1200 SPM
- Rugged, powerful machine for rubbing, sanding and polishing large flat surfaces
- Pads driven by horizontally opposed pistons: Minimized operator fatigue
- More power: To handle all top coat rubbing, finishing operations faster and easier
- Precision machined slide assembly: Smoother more consistent finish
- Opposed straight line
- Wet or dry applications

MP1000 & MP4000 Series Sanders/Polishers

- Opposed straight line
- Wet or dry rubbing, sanding or polishing
- Double padding provides fast, superb finishes
- Pads powered by horizontally opposed inline pistons
- Large abrasive area: 70 square inches
- Compact and smooth running
- Beautifully finished with precision machined slide assembly

MP4000F-6	Soft Tubular Rubber	3/4"	3100	4-8	9.0

GENERAL

Air Inlet 1/8" NPT
Use 1/4" (6.4 mm) I.D. hose
All tools performance rated @ 75psi (517 kPa) air pressure.

EQUIPMENT: SHOES & PADS

1/4 Sheet
Shoe Assembly: URM1041 (complete with sandpaper clamps)
Pad Assembly: URM1053 1/2" Felt
Pad Assembly: URM1108 3/4" Felt
Pad Assembly: URM1049-B Soft Mattress
Pad Assembly: URM1050-3 Soft Tubular Rubber

1/3 Sheet

Shoe Assembly: URM700 (complete with sandpaper clamps)
Pad Assembly: URM2119 3/8" Felt 3-2/3"x9"
Pad Assembly: URM2131 1/2" Felt 3-2/3"x9-3/4"
Pad Assembly: URM2166-2 Soft Tubular Rubber 3-2/3"x9"
